COS326 textbook chapters available from the UP library website - 2015

To access the scanned version of the book, proceed as follows:

1. Go to the library website and do a catalogue search.

2. The results of the search will contain two entries for Connolly. One is the GV book, the other is the e-book. Click on the link for the GV book.
3. The next screen gives a list of links. When you click on the link you can view one chapter or part of a chapter. You can print the chapter part if you wish.

4. You need to enter your student number and pin before you can view the chapter parts. If you do not have a pin, ask for assistance from the library.
